With every word and action our program facilitators show respect to campers, staff, parents, and themselves, and express that they love and honor Jesus.

COOPERATIVE

Our program facilitators work under the leadership of their program leader. They have the campers' best interest at their heart so they work closely with counselors who assist them. They communicate clearly and continually with their area's program leader.

FUN

Our program facilitators enjoy what they do and their joy is contagious to campers and fellow staff. The activities they plan are fun and engaging, so campers don't hesitate to join in.
